From The President

Welcome everyone to the Bairnsdale Speedway, first race meet for 2018-2019 race season.

The committee and members have been working hard in maintaining the facilities in the off season, also installing a new generator for the canteen. We are happy to announce the new toilet block has been approved by council, so works will start on the hill, behind the canteen very soon.

We have a great action packed programme for you tonight, we do apologise that we are not running Limited Sportsman and Speed cars, due to not enough numbers. We have programmed the Division 2 Hot Rods instead. As a club we appreciate the organisation of the Division 2 Hot Rods for organising eleven cars at such a short notice.

Our main class for the night is VSC Sprintcars, proudly sponsored by HPC (High Profile Cabinets). Our local drivers include Victorian 1 Mark Laity, car 5; Shane Steenholdt, car 15; David Dennison, car 28; Michael Evans, car 35; Adam Greenwood, car 55; Alistair Bastian, car 87; Dillion Siely, car 90; Andrew/Trent Neilsen are all our local drivers which are all quite quick when the conditions are right. We like to thank car 10; David Moore and car 9; Daniel Orr as well as new driver Adam Cullinger car 7 for travelling to Bairnsdale.

In Standard Saloons we have our four local drivers up against the hard charges from Moe and Rosedale. The one to watch for is Matthew Bowers who has made his way up from juniors to run in the seniors for the first time! In the junior class, we do not have any local drivers so we do appreciate the four cars that has travelled from Rosedale.

In the coming months we have five state titles and do not forget our Big Action Packed
Christmas meet on Boxing Night!

President,
Mark Laity

Volunteering

The Bairnsdale Speedway Association own and run the Bairnsdale Speedway Complex which will hold 7 race meets this season.

The complex is staffed by volunteer personnel who face a huge task each season to maintain the circuit and surrounds, whilst at the same time promoting and running each event.

Most of the people involved are not car owners or drivers but simply lend their time and expertise in the interest of motorsport, and without the help of these people we could not continue to operate.

If you would like to offer your services as a volunteer on race night or your support with any of the maintenance please get in contact with us via our website, Facebook page or feel free to come over to the pit gate box at the Bairnsdale end of the track and talk with us.
